

PEI Taekwondo

April '09

There has been lots going on lately with Master Lee visiting, preparations for the Black Belt testing, etc. so we thought we should get a newsletter out.

Testing

The next colour belt test for Charlottetown and Montague students will be May 9th, 2009 and will start at 1:00 a.m. Students who are ready to be tested will be given a test invitation sheet in advance of the test.

Summer Camp

There will be a summer camp held August 17th-21st at the cost of \$150. We will only be holding one this summer instead of the usual two, so sign up now as it will fill quickly. A \$25 deposit is required to hold your spot. Feel free to email if you have any questions. Laceydoiron640@hotmail.com.

After School Program

There may be some openings in the After School Program for September. Anybody who is interested should let us know as people are already looking to reserve space.

This is a total after school package combining pick up from school and Taekwondo instruction from 3:30 to 4:30 with parents picking up their children before 5:30. Before and after the Taekwondo class, time is available for children to do their homework.

Summer Open Tournament

PEI Taekwondo and Beaton's Taekwondo will be co-hosting the 3rd Annual Summer Open this year on July 4th at Birchwood Junior High School. This will be an excellent tournament for all students to attend with both forms and sparring competition.

This is a great opportunity for students who normally don't travel to tournaments to take part and improve their Taekwondo.

Upcoming Dates

May 9 th	Colour Belt Testing
July 4 th	PEI Summer Open Tournament
Aug 17-21	Taekwondo Summer Camp

Membership Fees and Registration

There are still a number of new and existing students who have not paid their registration fees for this year. Please confirm you are registered so that you are insured.

Please also ensure that your membership payments are up to date. The convenient pre-authorized payment plan and annual plan are also available.

Junior Nationals and Tournaments

PEI will be sending 5 competitors to the Junior Nationals on May 17-18 in Quebec City. Competing in Junior B will be Devin Li, Zach Purchase and Andrew Cameron with Jeff Landrigan and Tyler MacNeill competing in the Junior "A" division. Good luck guys!

Summer Program

Classes will continue through the summer in both Montague and Charlottetown. We will soon be starting a summer time, "bring-a-friend" promotion are going to have a promotion that will also save you money.

Class Time Reminder

One last thing, we ask that students be here 5 minutes prior to the beginning of class. When someone shows up late for class it causes disruption and the student misses very important warm up time.
